VERTICAL WASHING MACHINE  
**EASY WASH**

# VERTICAL WASHING MACHINE

# EASY WASH

Marval "EASY WASH" vertical washing machines offer a particularly **favourable quality-price-performance ratio**, while maintaining the quality of materials and construction.

They are the answer for all those companies that do not need to achieve high levels of productivity on a daily basis, but always seek the utmost efficacy and efficiency.

Featuring a **solid structure** made entirely of **AISI 304 stainless steel**, they house the drive on the top and can wash glass sheets from 2 to 14 mm thick (the machine can be fitted out for thicknesses up to 20 mm on request).

"EASY WASH" series washing machines are manufactured in 1,600 mm (open), 1600/20 (closed); 2,000 mm and 2000/20 (closed) versions.

"EASY WASH" WASHING MACHINE	1600	2000
Maximum washable height	1,600mm	2,000mm
Work table height	700mm +/- 30mm	700mm +/- 30mm
Minimum glass size (height x length x thickness)	150 x 350 x 3mm	150 x 350 x 3mm
Maximum glass size (height x length x thickness)	1,600 x 2,750 x 20mm	2,000 x 2,750 x 20mm
Number of brushes	6	6
Brush diameter	180mm	180mm
Number of tanks with a pump	3	3
Installed power	12.5Kw	15Kw
Speed	2 to 8 m/min	2 to 8 m/min
Infeed frame	2,000mm	2,000mm
Outfeed frame with glass inspection light	2,500mm	2,500mm
Compressed air	6 bar - 1/2'	6 bar - 1/2'
Tank water coupling	1/2'	1/2'
Overall dimensions (height x length x depth)	3,250mm x 7,050mm x 1,700mm	3,750mm x 7,050mm x 2,000mm
